**Supplement to the Notice of 2020 Annual Meeting and Proxy Statement**

February 24, 2020

Dear Stockholder:

We regret to inform you of the death of our fellow Director, Bernard J. Korman, after many years of dedicated and valuable service to the Fund beginning at its inception in 1987. In light of this circumstance, the size of the Board of Directors has been reduced to five Directors. Accordingly, as reflected on the enclosed proxy card, the Board of Directors is only soliciting proxies for the election as Directors of the remaining five nominees discussed in the accompanying Notice of the Fund's April 23, 2020 Annual Meeting and related proxy statement, which were prepared prior to Mr. Korman's death.

Sincerely,

Ellen E. Terry  
*President and Director*  
*On behalf of the Board of Directors*
